About College

Uniglobe College, established in 2009, centrally located at New Baneshwor, Kathmandu, affiliated to Pokhara University, runs Bachelor of Business Administration (BBA), Bachelor of Business Administration-Banking and Insurance (BBA-BI), Master of Business Administration-Finance (MBA-Finance) and Master of Business Administration (MBA) programs. The promoting team members of Uniglobe College are academically sound and they have proven track records of success in education entrepreneurship in Nepal.

Objectives

- To develop management graduates at various levels with sound management knowledge, skills and values along with positive leadership qualities;
- To install creativity and attentiveness in students through motivational approaches of personalized nurturing guidance;
- To make learning and living at the college a wonderfully pleasant experience for our students to develop a strong sense of friendship and fraternity;
- To establish relations with universities, research institutes and corporate organizations in Nepal and abroad for the enhancement of academic excellence, research and professional work ability of the students; and
- To produce self-motivated, innovative and creative entrepreneurs so as to reduce the widespread unemployment in the nation.

Vision

Uniglobe College envisions to be a nationally and internationally reputed learning center recognized for its academic & professional excellence in research, management and economics.

Mission

- To develop managers, entrepreneurs and market leaders through market-friendly, accessible, flexible and innovative academic programs;
- To develop management graduates who would be able to grasp local, national and international business needs and serve accordingly; and
- To develop researchers in the area of management and economics.
